RE:ID# C00000935  
Democratic Congressional Campaign Committee ("DCCC")  
RFAI dated July 25, 2007 regarding:  
Year End Report (11/28/06-12/31/06)

Dear Mr. Ryan:

This letter is in response to your request for additional information regarding the above referenced report which has been amended.

Schedule A supporting Line 15 discloses a reimbursement from a federal candidate committee, for postage. This reimbursement reflects the actual cost to the committee for this expense

The committee received payments from American List Council, Inc. in consideration for the rental of lists that were developed by the committee for its own political and campaign purposes. These payments reflect the usual and normal charge for the lists, which have an ascertainable value. The amounts of the payments were determined by looking to the amounts paid for similar lists under normal commercial practices.

Schedule A supporting Line (a)(i) of our report discloses earmarked contributions that have passed through our bank account. The corresponding entries on Schedule B do not match dollar for dollar due to the fact that the committee holds back the cost to process earmarked credit card contributions.

As required, all independent expenditures were reported on 24 / 48 hour notices using the date of public dissemination within 24 hours of the date the independent expenditure communication was published, broadcasted or otherwise publicly disseminated. Independent expenditures on Schedule E properly disclose expenditures reported on 24 /48 hour notices using the name and mailing address of the payee, the purpose of the expenditure, the date of payment, the amount of payment, the name and office sought, state and district the federal candidate, the calendar year-to-date, per election, for office sought total, the election designation, an indication of whether the candidate was supported or opposed and the signature of the treasurer.

We have amended Schedule E to properly itemize a pre-payment made to Groundswell Communications Inc. in support of Ciro D. Rodriguez (H/TX/23) and to clarify the description(s) of why the expenditures were made. The supporting schedule for independent expenditures has been signed by the treasurer.

Contributions made to Federal Candidates disclosed on Schedule B, Line 23 for the 2006 General election and the 2006 Runoff election were for goods or services provide to the candidates prior to or on these election dates. These expenses were paid by the committee upon receipt.
